To the Consistories of the URCNA;  
Greetings, brothers in the LORD!

Recently the Synod convening consistory of Wellandport URC, upon recommendation from the Synod 2021 Organizing committee, came to the conclusion that, due to the many continued uncertainties for the foreseeable future, it would be prudent to postpone Synod Redeemer 2021 for one more year. A new date has been tentatively scheduled for June 6-10, 2022. Thank you to the many consistories that contacted us to offer their input. Though it is somewhat disappointing to take this step, we pray that the LORD will add His blessing to this decision.

In Christ,

The Consistory of Wellandport United Reformed Church
